DETAILED ACTION

Allowable Subject Matter

1. Claims 2-10 and 12-30 are allowed (renumbered as 1-28).
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest, in the claimed combination, an apparatus for monitoring wear of a connector having first and second parts, comprising a sensor including sensing electronics to sense insertions or extractions of the first part of the connector with the second part of the connector, the insertion or extraction being associated with wear of the connector and the sensing electronics being independent of electronics associated with signals communicated through the connector; and a monitor responsive to the sensor to monitor the wear of the connector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
